Entrepreneurship Development Cell

Introduction:

The Entrepreneurship Development Cell (EDC) is established with the objective of fostering the spirit of entrepreneurship among students and aspiring innovators. It serves as a platform to nurture creativity, innovation, and leadership by providing the necessary support system for idea generation, validation, funding, and execution. EDC aims to transform job seekers into job creators through awareness programs, mentoring, and access to startup resources.

Vision:

To create a vibrant entrepreneurial ecosystem that inspires, educates, and empowers future leaders to innovate and build sustainable enterprises that contribute to economic and social development.

Mission:

- To instill entrepreneurial mindset and culture among students and faculty.
- To provide guidance, mentoring, and incubation support to budding entrepreneurs.
- To conduct workshops, seminars, and startup events that enhance entrepreneurial skills.
- To collaborate with industry, academia, and government bodies to facilitate entrepreneurial growth.
- To promote innovation-driven enterprises and social entrepreneurship.
